Re

Final Statement the Netherlands NCP regarding the specific instance  
procedure of the OECD Guidelines for Multinational Enterprises  
concerning Nidera

Dear Mr Evers,

I have taken notice of the Final Statement of the Netherlands National Contact  
Point regarding the specific instance procedure of the OECD Guidelines for  
Multinational Enterprises concerning Nidera.

I fully assent to the congratulations expressed by the NCP to the parties  
concerned for their mutually agreed solution. Following questions from Parliament  
in January 2011, Nidera expressed its commitment to integrating its procedures  
regarding employment conditions, human rights and the environment into a  
formalised, company-wide CSR-policy. The manner in which the company has  
accommodated the NCP-procedure as part of this ongoing process strengthens my  
belief that Nidera is conscientiously integrating its social responsibility into its  
business conduct.

Yours sincerely,

Henk Bleker  
Secretary of State of Economic Affairs, Agriculture and Innovation
